Subject: Testimony from 4 December SSCI Hearing

Attached is a copy of the testimony submitted by Mr. Lamb (Department of State) at last week's hearing. I'm still working on a copy of Mr. Latham's testimony, which I'll forward as soon as its received.

Ed Levine of the SSCI staff confirms that the [ ] hearing involving the Department of State has been tentatively scheduled for early February 1986. He also said the staff hopes to have an "interim report" on these hearings by late this month or early in January, with a "final" report ready for the Committee Members when they return for the 2nd Session of the 99th Congress (which he says will convene on 21 January).
